

Disclosure of Relevant Financial Relationships

As an organization accredited by the ACCME, Southern Medical Association requires everyone who is in a position to control the content of an education activity to disclose all relevant financial relationships with any commercial interest. The ACCME defines "relevant financial relationships" as financial relationships in any amount, occurring within the past 12 months, including financial relationships of a spouse or life partner that could create a conflict of interest.

Southern Medical Association encourages Speakers/Authors to identify investigational products or off-label uses of products regulated by the US Food and Drug Administration, at first mention and where appropriate in the content.

Donald DiPette, MD

Dr. DiPette is currently the Health Sciences Distinguished Professor at the University of South Carolina and the University of South Carolina School of Medicine in Columbia, South Carolina. He has previously held the positions of Special Assistant to the Provost for Health Affairs, Vice President for Medical Affairs and Dean of the School of Medicine at the University of South Carolina. Before joining USC, he was Interim Senior Executive Dean and Interim Chief Academic Officer and Professor of Medicine in the Texas A&M Health Sciences Center College of Medicine and the Chairman of the Department of Medicine at Texas A&M Health Sciences Center

College of Medicine and Scott & White Healthcare.

Nancy Phillips, MD

Dr. Phillips is a board-certified obstetrician/gynecologist, Clinical Associate Professor in the Department of Obstetrics, Gynecology & Reproductive Science at Rutgers-Robert Wood Johnson Medical School in New Brunswick, NJ. Her clinical interest is in vulvovaginal health, with an emphasis on vulvodynia. Other areas of interest include menopause and hormone therapy and pelvic pain. She has authored and co-authored many peer-reviewed articles and book chapters in this field, including an on-line Prologue teaching review on vulvovaginal atrophy for the American College of Obstetricians and Gynecologists. Dr. Phillips is also involved in clinical research in areas

of vulvodynia, vulvovaginal atrophy and the vaginal microbiome.

Veronica K. Piziak, MD, PhD, FACP

Dr. Piziak is Emeritus Director, Division of Endocrinology and Director of the Diabetes Center for Scott & White in Temple, Texas. She has attained the rank of Professor of Medicine and Endocrinology at Texas A&M University College of Medicine and is Professor of Social and Behavioral Health for Texas A&M School of Rural Public Health.
