

Disclosure of Relevant Financial Relationships

As an organization accredited by the ACCME, Southern Medical Association requires everyone who is in a position to control the content of an education activity to disclose all relevant financial relationships with any commercial interest. The ACCME defines "relevant financial relationships" as financial relationships in any amount, occurring within the past 12 months, including financial relationships of a spouse or life partner that could create a conflict of interest.

Southern Medical Association encourages Speakers/Authors to identify investigational products or off-label uses of products regulated by the US Food and Drug Administration, at first mention and where appropriate in the content.

Elizabeth Kirkland, MD, MSCR

Dr. Elizabeth Kirkland is an assistant professor of internal medicine at MUSC Health. She completed medical school at the University of North Carolina School of Medicine in Chapel Hill followed by internal medicine residency training at the Medical University of South Carolina. After residency, she completed a chief residency year at MUSC. She is board certified in internal medicine and holds a Master's of Science in Clinical Research. Dr. Kirkland enjoys caring for all adult patients and has particular interest in wellness, prevention, and women's health. In addition to her clinical responsibilities, she is involved in medical student education and participates in research focused on telemonitoring of chronic disease conditions.

Disclosure:

- Dr. Kirkland has no relevant financial relationships to disclose:
- Dr. Kirkland **does not intend** to discuss off-label or investigational uses of drugs, mechanical devices, biologics, or diagnostics not yet approved by the FDA for use in the United States.
