MEMBER BENEFIT CATALOG

2025

Southern Medical Association is pleased to provide its members access to the following benefits and services, some of which are included in certain levels of membership. To learn more and find out if your specific membership includes the benefit you are interested in, visit sma.org/membership, email to membership@sma.org or call (800) 423-4992.

Southern Medical Journal

<https://sma.org/smj>

As the official journal of the Birmingham, Alabama-based [Southern Medical Association](https://sma.org) (SMA), the Southern Medical Journal (SMJ) has for more than 100 years provided the latest clinical information in areas that affect patients' daily lives. The SMJ has a multidisciplinary focus that covers a broad range of topics relevant to physicians and other healthcare specialists in all relevant aspects of the profession, including medicine and medical specialties, surgery and surgery specialties; child and maternal health; mental health; emergency and disaster medicine; public health and environmental medicine; bioethics and medical education; and quality health care, patient safety, and best practices. Each month, articles span the spectrum of medical topics, providing timely, up-to-the-minute information for both primary care physicians and specialists. Contributors include leaders in the healthcare field from across the country and around the world. The SMJ enables physicians to provide the best possible care to patients in this age of rapidly changing modern medicine.

SMA Annual Scientific Assembly

<https://sma.org/annual-scientific-assembly>

SMA Members receive a discount on registration fees to our flagship meeting. Since 1906, members have gathered together in different cities around the territory to teach, learn, network, and have fun. Members and attendees can connect with colleagues and peers, students and residents; learn about new treatments, pharmacological innovations, new devices, procedures, guidelines and leadership techniques from top national speakers and exhibit sponsors. Support medical students and residents during the abstract competition, SMArt Bowl, and a medical trivia competition. Intermingled are various opportunities for you to reconnect with old friends, make new friends, and enjoy the overall collegiality of the event.

Online CME

<https://sma.org/cme-courses/>

Members receive online access to our full library of accredited on-demand educational activities for physicians, nurses and other healthcare providers delivering self-directed study in many therapeutic areas 24/7. These CME activities are derived from our live meeting and webinars, as well as podcasts and SMJ articles, allowing participants to earn credit at their convenience.

AirMed – Medical Evacuation Service

A medical evacuation can cost up to \$200,000. As an SMA Member, you receive complimentary AirMed® membership.
