WELCOME TO THE

6TH ANNUAL MARIE SKŁODOWSKA-CURIE SYMPOSIUM ON CANCER RESEARCH AND CARE

Goal of symposium is to promote collaboration between cancer care researchers and care providers, biotech, pharma, nonprofit organizations and policymakers from the United States, Canada, and countries of Central and Eastern Europe, to accelerate the development and clinical testing of new cancer treatments and improving cancer care.

Sponsors will have the opportunity to meet leading clinical oncology investigators from the United States, Canada, Central and Eastern Europe and participate in the free exchange of ideas for new clinical trials and other collaborative research initiatives.
