21.5 Hours of CME
Available
sma.org/asa2026

NOVEMBER 6-7, 2026 / POCUS BOOTCAMP NOVEMBER 5, 2026

Pain Management & Opioid Use
1.25 Hours

Explore patient-centered approaches to pain management through sessions on multidisciplinary care, regenerative medicine, drug repurposing, and musculoskeletal care.

Medical Ethics & Physician Well-Being
3.0 Hours

Gain insights into professional resilience, work-life balance, ethical decision-making, interdisciplinary collaboration, and building a fulfilling, sustainable career in medicine.

Patient Safety
8.25 Hours

Discover evidence-based patient safety strategies: healthy aging, fall prevention, concussion assessment, musculoskeletal care, nutrition, point-of-care ultrasound, surgical decision-making, and chronic disease management.

November 5 • Pre-Assembly Hands-On POCUS Bootcamp • 6.0 Hours

Complement the Assembly with a hands-on point-of-care ultrasound Bootcamp with focused instruction, scanning and procedural application.

Separate registration required • Up to 21.5 accredited hours available with the Assembly and POCUS Bootcamp bundle

Featured Keynote Speakers

Cady Coleman, NASA Astronaut

Lessons in resilience, teamwork, and peak performance from long-duration spaceflight

Joseph Maroon, MD

A legendary sports medicine physician reflects on 50 years caring for elite athletes
